

Antonio M Martin Platero

dpto. Microbiología, Facultad de Ciencias
Universidad de Granada
Fuentenueva s/n, 18071 Granada
Spain

Phone: +34 958 24 98 93
Email: ammartin@ugr.es

Research interest

- Microbial diversity and microbial interactions, with special emphasis in the role of antimicrobial peptides in community structure.
- Microbial genomics and metagenomics

Education

- University of Granada, PhD in Microbiology, 2008.
- University of Granada, Master of Science in Microbiology, 2004.
- University of Granada, Bachelor of Science in Biology, 2002.

Professional Experience

- Associate Professor, dept of Microbiology, University of Granada (Spain) 2020 – Present
- Assistant Professor, dept of Microbiology, University of Granada (Spain) 2015 – 2020
- Senior scientist, dept of Microbiology, University of Granada (Spain) 2013 – 2015
- Postdoctoral fellow, Department of Civil and Environmental Engineering, Massachusetts Institute of Technology (USA) 2010 – 2013
- Postdoctoral associate, National Spanish Council of Research (Spain) 2010
- Postdoctoral associate, dept of Microbiology, University of Granada (Spain) 2009
- Visiting scholar, Experimental Institute for Dairy Products (Italy) 2005
- PhD Student, dept of Microbiology, University of Granada (Spain) 2004 – 2008

Publications

40 scientific peer-reviewed articles
2 book chapters
25 communications at scientific meetings and symposia

Teaching at University of Granada

Undergraduate teaching:

- Microbiology II: Biodiversity of Microorganisms 2015 – Present
- Genomics and Genetic Engineering 2015 – Present

Graduate teaching:

- Biodiversity of lactic acid bacteria 2015 – Present
- Microbial biogeography 2020 – Present

Languages

- Native Spanish
- Fluent English
- Basic Italian
